

Thrombosis and Hemostasis Society of North America (THSNA) Annual Meeting 2022

FACTOR VIII LEVELS AND INTERNATIONAL SOCIETY ON THROMBOSIS AND HEMOSTASIS (ISTH) DISSEMINATED INTRAVASCULAR COAGULATION (DIC) SCORES DO NOT DISCRIMINATE COAGULOPATHY OF LIVER DISEASE FROM DIC

Cecily Allen¹, Marina Heskeli¹, Ayesha Butt², Alexander Pine², Alfred Lee². ¹*Yale School of Medicine, Dept. of Internal Medicine, New Haven, CT, USA.* ²*Yale School of Medicine, Dept. of Hematology, New Haven, CT, USA*

PLASMA PROTEOMIC PROFILING IDENTIFIES UNIQUE SIGNATURES OF ENDOTHELIAL ACTIVATION AND INFLAMMATION UNDERLYING PROGNOSTIC MARKERS OF HYPERCOAGULATION IN ALCOHOLIC CIRRHOSIS

Cecily Allen¹, Ayesha Butt², Parveen Bahel³, C-Hong Chang⁴, Hyung J Chun⁴, Sean Gu⁴, John Hwa⁴, Sofia S Jakabs⁵, Matthew J McConell⁵, Henry Rinder³, Uyen To⁵, Robert Bona², Alfred I Lee², Alexander B Pine². ¹*Internal medicine residency, Yale New Haven Hospital, New Haven, CT, USA.* ²*Section of Hematology, Yale School of Medicine, New Haven, CT, USA.* ³*Department of Laboratory Medicine, Yale New Haven Hospital/Yale School of Medicine, New Haven, CT, USA.* ⁴*Yale Cardiovascular Research Center, Section of Cardiovascular Medicine, New Haven, CT, USA.* ⁵*Section of Digestive Diseases, Yale School of Medicine, New Haven, CT, USA*

PREVALENCE AND CLINICAL CHARACTERISTICS OF JOINT BLEEDS IN THOSE PRESENTING WITH MILD HEMOPHILIA

John B. Chiari BS¹, Stephanie Prozora, MD², Patrick G. Gallagher, MD², Robert Bona, MD³. ¹*Frank H. Netter MD School of Medicine, Quinnipiac University, North Haven, CT, USA.* ²*Yale University, Department of Pediatrics, New Haven, CT, USA.* ³*Yale University, Department of Internal Medicine/Hematology, New Haven, CT, USA*

POSTOPERATIVE BLEEDING OUTCOMES IN PATIENTS WITH COAGULATION FACTOR DEFICIENCIES

Marina J. Heskeli, Stephanie Prozora, Jennifer Cornell, Kristina Selander, Evangelia Louizos, Patrick G. Gallagher, Robert Bona. *Yale University School of Medicine, New Haven, CT, USA*

REAL-WORLD EFFECTIVENESS OF OCTOCOG ALFA TO TREAT HEMOPHILIA A IN JAPAN AND THE UNITED STATES

Michael Recht¹, Ei Kina², Masashi Taki³, Sayaka Tachikawa⁴, Ryan Farej⁵, Thomas Moulton⁵, Midori Shima⁶, Martin Chandler¹, Katsuyuki Fukutake^{2,7}. ¹*American Thrombosis and Hemostasis Network, Rochester, NY, USA.* ²*Department of Laboratory Medicine, Tokyo Medical University, Tokyo, Japan.* ³*Department of Pediatrics, St. Marianna University School of Medicine, Kawasaki City, Japan.* ⁴*Bayer Yakuhin, Ltd, Osaka, Japan.* ⁵*Bayer U. S. LLC, Whippany, NJ, USA.* ⁶*Department of Pediatrics, Nara Medical University, Nara, Japan.* ⁷*Department of Blood Coagulation, Ogikubo Hospital, Suginami City, Japan*

MULTIPLE-YEAR DURABILITY DATA FROM A PHASE 2B TRIAL OF GENE THERAPY WITH ETRANACOGENE DEZAPARVOVEC IN PATIENTS WITH HEMOPHILIA B

Esteban Gomez¹, Adam Giermasz², Giancarlo Castaman³, Nigel S. Key⁴, Susan Lattimore⁵, Frank W. G. Leebeek⁶, Wolfgang A. Miesbach⁷, Michael Recht⁵, Annette von Drygalski⁸, David Cooper^{9, 10}, Yanyan Li¹¹, Blanca Salazar¹¹, Steven W. Pipe¹². ¹Phoenix Children's Hospital, Phoenix, AZ, USA. ²University of California Davis, Sacramento, CA, USA. ³Azienda Ospedaliera Universitaria Careggi, Florence, Italy. ⁴University of North Carolina, Chapel Hill, NC, USA. ⁵Oregon Health a Science University, Portland, OR, USA. ⁶Erasmus University Medical Center, Rotterdam, Netherlands. ⁷University Hospital Frankfurt, Frankfurt, Germany. ⁸University of California San Diego, La Jolla, CA, USA. ⁹uniQure BV, Amsterdam, Netherlands. ¹⁰uniQure Inc, Lexington, MA, USA. ¹¹CSL Behring, King of Prussia, PA, USA. ¹²University of Michigan, Ann Arbor, MI, USA

COLLABORATION FOR THE LONG-TERM FOLLOW-UP OF PEOPLE WITH HEMOPHILIA TREATED WITH GENE THERAPY: WORLD FEDERATION OF HEMOPHILIA - AMERICAN THROMBOSIS AND HEMOSTASIS NETWORK

Donna Coffin¹, Barbara Konkle^{1, 2}, Mayss Naccache¹, Cary Clark³, Lindsey George⁴, Alfonso Iorio⁵, Wolfgang Miesbach⁶, Declan Noone⁷, Flora Peyvandi⁸, Steve Pipe⁹, Michael Recht¹⁰, Mark Skinner¹¹, Leonard A. Valentino¹², Johnny N. Mahlangu¹³, Glenn Pierce¹. ¹World Federation of Hemophilia, montreal, QC, Canada. ²University of Washington, Seattle, WA, USA. ³International Society on Thrombosis and Haemostasis, Carrboro, NC, USA. ⁴The Children's Hospital of Philadelphia, Philadelphia, PA, USA. ⁵McMaster University, Hamilton, ON, Canada. ⁶University Hospital Frankfurt, Frankfurt, Germany. ⁷European Haemophilia Consortium, Brussels, Belgium. ⁸Department of Pathophysiology and Transplantation, Università degli Studi di Milano, Milan, Italy. ⁹University of Michigan, Ann Arbor, MI, USA. ¹⁰American Thrombosis and Hemostasis Network, Rochester United States. ¹¹Institute for Policy Advancement Ltd, Washington, WA, USA. ¹²National Haemophilia Foundation, New York, NY, USA. ¹³University of the Witwatersrand, Johannesburg, South Africa

ATHN 16: SAFETY OF COAGULATION FACTOR VIIA (RECOMBINANT)-JNCW FOR THE TREATMENT OF BLEEDING EVENTS IN PATIENTS WITH CONGENITAL HEMOPHILIA A OR B WITH INHIBITORS WITH OR WITHOUT PROPHYLACTIC TREATMENT

TAMMUELLA CHRISENTERY-SINGLETON¹, W. ALLAN ALEXANDER², AHMAD AL-SABBAGH³, DANIEL BONZO³, MICHAEL U. CALLAGHAN⁴, MIGUEL ESCOBAR⁵, ADAM GIERMASZ⁶, M. NIKKI HIRSH⁷, JANNA JOURNEYCAKE⁸, SONIA NASR⁹, DORIS V. QUON¹⁰, MARK REDING¹¹, Michael Recht⁷, ¹Louisiana Center for Advanced Medicine, Slidell, LA, USA. ²Aoede Associates, Louisville, KY, USA. ³LFB-USA, Inc, Framingham, MA, USA. ⁴Central Michigan University, Detroit, MI, USA. ⁵University of Texas Health Science Center, Houston, TX, USA. ⁶University of California, Davis, Sacramento, CA, USA. ⁷American Thrombosis and Hemostasis Network, Rochester, NY, USA. ⁸Oklahoma Center for Bleeding and Clotting Disorders at OU Health, Oklahoma City, OK, USA. ⁹GLOVAL LLC, Broomfield, CO, USA. ¹⁰Orthopaedic Hemophilia Treatment Center, Los Angeles, CA, USA. ¹¹University of Minnesota, Minneapolis, MN, USA. ¹²Oregon Health a Science University, Portland, OR, USA

REAL-WORLD EFFECTIVENESS OF DAMOCTOCOG ALFA PEGOL IN MILD AND MODERATE HEMOPHILIA A PATIENTS AGED 12 YEARS AND OLDER IN THE ATHN DATASET

Martin Chandler¹, Lena Charafi², Thomas Moulton², Michael Recht¹, ¹American Thrombosis a Hemostasis Network, Rochester, NY, USA. ²Bayer, Whippany, NJ, USA

A COMMUNITY EFFORT TO DEVELOP A NATIONAL RESEARCH BLUEPRINT FOR INHERITABLE BLEEDING DISORDERS

Maria E. Santaella¹, Michelle L. Witkop¹, Michael Recht², Keri Norris¹, Brett Spitale¹, Esmeralda Vazquez¹, Donna M. DiMichelle³, Kevin Mills¹. ¹National Hemophilia Foundation, New York, NY, USA. ²American Thrombosis and Hemostasis Network, Rochester, NY, USA. ³Donna DiMichele Consulting, LLC, Washington, DC, USA
